THE GRAPES ARE HARVESTED

Over a 1000 people enjoyed attending the Annual Grape Stomp on September 11th. The weather was perfect and the bands Plum Crazy, String Chickens and Six Mile Road provided GREAT music throughout the day. Thanks to a lot of guests who attended the Grape Stomp , we finished harvesting our grapes! People had such a great time in the vineyard that next year we will be providing an opportunity to get a FREE bottle of wine and enjoy a meal together at the end of the day to celebrate the completion of harvest. Plan on attending our grape stomp next year and join us in the excitement of harvest. Spend some time in the vineyard, enjoying nature, and the company of a group of people you enjoy!

"PICK, EAT AND SIP!"

**10th Anniversary
HOLIDAY OPEN HOUSE
DECEMBER 4TH
10:00 TO 5:00**

Begin your Holiday Season by relaxing, listening to some holiday music, and sampling our Holiday wines. You will have an opportunity to taste wines paired with holiday snacks and purchase unique affordable Christmas gifts. The trend in "gift giving" is to give a consumable gift. Wine in a gift basket with bread, cheese, crackers or other gift items is an excellent "consumable" Christmas gift.

DID YOU KNOW.....The skin of fresh red grapes in wine contains the protective chemical resveratrol, which may sharpen you brain and reduce your risk for both heart disease and cancer.

NO WINE BEFORE ITS TIME!

Thank you for being patient with the "Wine Maker". Our Blackberry and Fall Wines will be available at our **CUSTOMER APPRECIATION DAY EVENT—November 6th.**

Congratulations to the "Wine Maker"!

On October 9th Deadwood Tasting Room Manager Julie Larson attended the Spearfest 2nd Annual Beer and Wine Festival in Spearfish, SD. Of the four awards, Schade Wines took 1st place for Strawberry Rhubarb, 2nd place for Dakota Red, and People's Choice Award for Cranberry.

We are so very proud and thankful for the quality of fruit that people provide for us. Without people willing to grow and harvest fruit for our wines, we would not be able to produce a quality South Dakota Wine. Here's our toast to **You!**
